One Trane

The Trane Mid-America District encompasses Nebraska, Eastern Kansas, Missouri, and Oklahoma. It is our mission to make buildings better for life. We accomplish this mission by capitalizing on our **One Trane** culture, which is our ability to provide expertise in all phases of a building's life cycle, from design and construction to operation and maintenance, while optimizing and sustaining energy consumption. We offer a wide range of products and services, including:

- Building Controls
- Energy Management
- Facility Management
- HVAC Equipment
- Rental Services
- Vibration Analysis
- Service Agreements
- Light Commercial Unitary
- Parts and Supplies
- Performance Contracting
- High Performance Building Solutions
- Intelligent Services and Wireless Communication

Local Support, National Expertise

The Kansas and Missouri Trane offices have the quality, experience, and knowledge of a \$13 billion company with the local presence that allows us to offer immediate support and personal relationships typical of a small, locally-owned business. We have employees located district-wide dedicated to supporting your local needs.
